Subject: Invitation for Editorial Board Member

"World Journal of Thyroid Research Updates - WJTRU"

*Dear Dr. R. Roncevic,*

*Revotech Press a platform offering excellent resources for research. It is currently seeking members for the editorial board of the journal "World Journal of Thyroid Research Updates". Considering your research interest and expertise in this area, we would like to cordially invite you to join the editorial board of this journal.*

*World Journal of Thyroid Research Updates is an international peer reviewed journal which considers manuscript on all aspects of thyroid hormones and thyroid diseases and their interaction with the cardiovascular, respiratory, gastroenterological, metabolic and neurological systems.*

*Journal publishes important clinical, translational, and basic research, which can support the academic goals of the worldwide endocrine community. It delivers the highest quality original articles, reviews, conference papers and scholarly comment on pioneering efforts and innovative studies across all areas of Thyroidology.*

*Our topics of interest are (but not limited to): Hyperthyroidism, Hypothyroidism, Thyroiditis, Thyroid cancers, Noncancerous nodules, Thyroid function test and Significance of iodine.*

*We anticipate your acceptance of this invitation to become a member of our Editorial Board and are looking forward to receive your updated CV.*

*Thank you in advance,*

Best regards  
Prof. Naeem Ahmed
