

## ***BETWEEN***

TePsyntesis, school of Body-Psychotherapy in Yugoslavia (Serbia):

Between East and West,  
Between Body and Psyche,  
Between War and Peace,  
Between Bombs and Humanity,  
Between Agony and Bliss,  
Between Truth and Image,  
Between Power and Ethics,  
Between hot Passions and cold Intelligence,  
Between Post-Traumatic Stress Disorder and Personal Growth,  
Between True Teachers and Image of True Teachers,  
.... *And towards Higher Values, Life and Love* .....

Between Yoga and Wilhelm Reich,  
Between Tantra and Masters & Johnson,  
Between Nationalism and Globalism,  
Between Love in Body Psychotherapy and forced Pragmatism,  
Between Trust and Disappointment with Teachers,  
Between Greed and speaking about Consciousness in Psychotherapy,  
Between sweet Words and bad Intentions from Teachers,  
Between Ahimsa and Violence in the name of psychotherapy,  
.... *And towards Higher Values, Life and Love* .....

Between Colonialism and Transition,  
Between Abuses of Basic principles of Psychotherapy and talk about Ethics,  
Between uses of Psychotherapy for Political aims and Moral Declaration,  
Between extreme Efforts to develop BP school and Negation of existence (to serve colonialisation),  
Between Fear and need for Clarity,  
Between Openness and Wisdom,  
Between old confusion and new Insight: 100 years after birth of psychotherapy, why does the world get worse? I have seen why.  
Between Power Games and naïve Trust in Teachers,  
Between Theory of Orgasm and extreme Conservatism,  
Between Freedom of thinking and new Religious Dogma,  
Between old and new Tax systems,  
Between Formal Membership and Essence,  
Between Negative Selection and Tales about Quality,  
Between deep Pain from looking at the Catastrophe of Humankind (and Psychotherapy) so close, and Mercy of Bliss,  
.... *And towards Higher Values, Life and Love* .....

Between Crucification and Integration,  
Between Madness and Pure Consciousness,  
Between questions and questions without answers...  
Between.....
