

EAGLES

W.R. and his legal and illegal children Body-Psychotherapists,
Have promised me Eagles,
I have travelled, searching for a Way to Eagles,
But found just a few, mainly old Eagles
And so many chickens believing, pretending, or imagining
That they are Eagles.

I have returned home expecting Eagles will come
To help me develop a Program for Eagles
To help the woods and fields to blossom, green, full of flowers.
According to ethics, morality and Higher Values.

But, Oh God, instead of Eagles,
Vultures are coming !!!
Bringing Horror and Lies,
double Training Standards,
Core energy of dirty business,
Injustice and Humiliations !

The wounded land is bleeding,
The vultures are having their blood feast.

ORLOVI

W.R. i njegova zakonita i nezakonita deca Telesni psihoterapeuti,
Su mi obekali Orlove.
Putovala sam, Trazila sam Put ka Orlovima
Ali videla sam samo par, uglavnom starih Orlova
I mnogo pilica koji se pretvaraju ili zamisljaju da su Orlovi.

Vratila sam se kuci ocekujuci da ce Orlovi doci da mi pomognu
Da razvijemo program za Orlove.
Da pomognemo sumi i poljima da bujaju zeleni i cvetni...
U skladu sa etikom, moralnoscu i Visim Vrednostima.

Ali, O Boze, umesto Orlova,
Dosli su Lesinari !!!
Donoseci uzas i lazi,
duple Trening standarde,
Srznu energiju pokvarenog poslovanja,
Nepravdu i ponizenja!

Ranjena zemlja krvari a
Lesinari piruju Svoj krvavi Pir.
